

# The Teaching Provider

For preceptors of medical, pharmacy, allied health, and nursing students in the Greensboro area

## PIEDMONT AHEC

PART OF NC AHEC

## Cone Health Physicians Honored

Elizabeth Kaye Gable, MD, and Olakunle Akintemi, MD, celebrated their 60-year combined career in pediatric care upon retirement from Cone Health in 2023. They started together in 1993. In their honor, the Kaye Gable Nursery and the Akintemi Teaching Conference Room were established through generous donations.

"Dr. Ola Akintemi taught our med students exceptional case conferences," says Suresh Nagappan, MD. "His brilliance was always inviting, encouraging questions and deeper thinking." Dr. Akintemi's engaging teaching profoundly influenced many medical professionals. "Students loved his teaching," adds Dr. Nagappan. Dr. Akintemi expressed his gratitude during the dedication, saying, "I am truly honored by this dedication."

Dr. Gable was honored for her dedication to pediatric care. "Many people in Greensboro were born in nurseries she was part of," notes Dr. Nagappan. Dr. Gable's patient-centered care philosophy shaped the hospital's ethos and teaching programs. "She taught that babies are not just medical problems and to trust clinical skills," shares Dr. Nagappan. As nursery leader, Dr. Gable established a premier facility at Cone Health. "Her belief in the importance of small, daily actions has been impactful," says Dr. Nagappan.

"I love this work," said Dr. Gable during the dedication. "Thank you all so much." The funds raised will support the children's service line, continuing Dr. Gable's and Dr. Akintemi's legacy.

## Preceptor & Student Opportunities

### Clinical Precepting Online Series

[Click here to sign up](#) for this FREE online self-paced series.

### Opioid Education for Community Health Workers Online Series

### Interested in Precepting?

Teaching students is an enjoyable way to give back to the community and ensure that future health providers have the best training possible. If you would like to learn more about becoming a preceptor, contact Student Services, Coordinator Tonya Baldwin at [tonya.baldwin@conehealth.com](mailto:tonya.baldwin@conehealth.com).

We are also **requesting [Camp Med 2024 proposals](#)** from middle and high school teachers interested in creating programs for students.

## Library Services

We'd like to remind you that library services are available for health care providers and preceptors in the Piedmont AHEC region through the Cone Health Medical Library: [AHEC Digital Library](#). The ADL supports NC healthcare professionals and preceptors in obtaining current evidence-based medical information.

- Free version with limited resources is available to everyone.
- Full scope of licensed resources (including full-text journals, textbooks, and databases) is available to most North Carolina hospital affiliates through institutional licenses and to individual subscribers for an annual fee. Contact the library for more information.
- Some preceptors may have access to additional resources through school affiliation.

### Other Library Services

Health professionals and preceptors in the Piedmont AHEC region should contact the library for more information on how they can get the following. (Fees may apply.)

- Clinical Alerts
- Document Delivery and Interlibrary Loan
- Literature Searches

**For questions or access to the NC AHEC Digital Library, contact the Medical Library:**  
[www.conehealth.com/library](http://www.conehealth.com/library), 336-832-7484,  
[medical.library@conehealth.com](mailto:medical.library@conehealth.com).

### We need your help in providing meaningful clinical experiences for Health Careers students!

For more information on these programs or if you are interested in being a preceptor for any of them, please contact Patricia Parrish.
